From the Aerie and Auxiliary Presidents

As we head into the Holiday Season, we would like to thank our members that have volunteered their time and energy through the first eight months of this year. We have had many successful fundraising activities and have had just as much fun planning and participating in those events! Once again, your time and contributions have continued to place emphasis on our motto of "People Helping People."

We have more planned in the months ahead. Please review your newsletter for dates and times for these events. We hope you will also take the time to lend a helping hand while also enjoying the many club activities.

In closing, we would like to wish all of our members and their families a safe and happy holiday season. Please remember to keep all of our Armed Service men and women serving both here and abroad in your thoughts and prayers.
